Please RSVP ASAP. I need to know if you are going to attend this class or when you plan to take a class. If you have already taken the class, please bring a copy of your certificate or proof of completion to me for our files.

Our children are important. You are important. We want to make sure you have every tool necessary for the benefit and welfare of our children - of God's children. Thank you for your work with our children, for your attention to this matter, and for contacting me as soon as possible.

To RSVP and if you have any questions or concerns, please call me or send an email.
